The Poppy Chic dinnerware is made of fine porcelain and is embellished with genuine yellow gold trim.

To keep your Poppy Chic dinnerware looking “trés chic,” follow these instructions for care:

- ◇ We recommend washing by hand.
- ◇ If you prefer to use your dishwasher, use a mild detergent and set it to a gentle cycle for best results.
- ◇ Do NOT clean with abrasive cleansers or scouring pads.
- ◇ Due to the gold accents, NEVER put any piece of the Poppy Chic set in a microwave oven.
