## Smart ideas for Your home

### 1 Instant fix for fly-open doors!

If your cupboard door never seem to stay shut, you can fix them fast without a hammer or screwdriver: Just snip a couple of pieces of magnetic tape and stick on the edge of the door and They'll serve as a magnetic catch so doors stay closed.

### 2 Store jewelry safely!

Hang a small hook near the kitchen sink to put rings, watches or other jewelry you remove when washing dishes or cleaning or cooking. That way, you'll always know where they are after the task is finished!

### 3 Nature's stain remover!

Have a tomato-stained plastic container? Simply put it in a sunny window out on the patio and let there all day. Retrieve the sun-dried container, and the stain will be gone. The rays make a great "bleach."

### 4 Entertain kids and store car clutter!

A metal cake pan with a sliding lid is a great lap desk for children traveling in your car. Crayons, books, paper and other supplies can be stored inside off the floor! Bonus: The lid makes a writing surface.
